## Keeping it Real...

"There is little difference in people, but that little difference makes a big difference. That little difference is attitude. **The big difference is whether it is positive or negative.**"

-W. Clement Stone

"Davy is a good friend of mine and he has served as my Chief Operating Officer for years. He has been in the background **helping us find additional income and money.** He is amongst one of the **highest integrity human beings** I've ever met or worked with **his voice and his word are true.** He's got this uncanny knack of being able to look inside any business and **find money that's left behind** and he's also really good at figuring out tactically and strategically how to make that happen!"

**~Mike Koenigs, CEO & Creator  
You Everywhere Now**

"As a Shark, Davy speaks my language: **PROFIT, PROFIT, PROFIT!** Davy finds the little things that are leaking big profits out of your business and he puts his money where his mouth is."

**~Kevin Harrington, Original Shark on  
ABC's Hit TV Show "Shark Tank"**

"I've had Davy come in and consult with me and I have to tell you **he is amazing.** He is laser focused and **sees things that I don't think most people see.** I don't know how he does it; I'm just glad that he does. There are a lot of businesses out there that could benefit from Davy's strategies and techniques! Davy comes from a spiritual place, **there is a bottom line to him that is not just about money.**"

**~Forbes Riley, \$2 Billion TV
